Fairfax High School

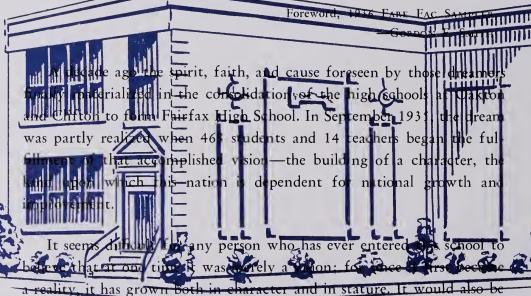

Fairfax, Virginia

1936 — Lemper

"Somewhere in the past there was a vision—a day-dream built upon faith in the youth of coming generations and in the future of education—a day-dream having as its ultimate goal a great institution building sterling characters, developing leadership, and making for a scholarship that might be put to work in the world.

For that vision—no longer a flimsy dream, but finding its embodiment in Fairfax High School—we are indeed grateful."

a reality, it has grown both in character and in stature. It would also be puzzling to anyone to ascertain which phase of this school has expanded to the greatest degree since the doors of Fairfax High School first opened. The annex was built in 1937 to take care of shop, home economics, and agriculture. In many ways during the past the school has improved and additions have been made: a graded athletic field, six new class rooms, and

Progrediens — 1945

a supply room. However, as one looks back and remembers, it seems that the most important event was the dedication of the new auditorium and gymnasium on February 4, 1940. Yet everybode was as proud in 1942 when the new shop was conspleted and the dressing rooms for the boys and girls were added to the gym. And attil the plant cannot properly accommodate the constantly growing student body which in ten years has reached 927 and a faculty that has increased until it new numbers 42.

Each individual would choose a different aspect of the school's expansion and development of being the most important according to his main interest. Implicate be considered the current unit which has been be added and the check through the constructive extra-

physical development and athletic impersis contains the offered here.

strive to make a better world of tomorrow, knowing that they have found here those things which give life direction—ideals, principles, knowledge and that they have left this school richer, better, wiser for having entered. No vision could be more magnificent than an institution of learning that moulds the very foundation for the infinite and inalienable betterment of man.

Can these mass services and sacrifices be justifiable? The men who are fighting and dying for America ask no justification other than the preserving of their beloved freedoms.

Since the birth of our country in 1776, America has stood as a land of opportunity; a land where freedom is dominant and justice insured. Today this kind of life has been threatened and challenged. America has united with the freedom loving nations of the world to meet and destroy this challenge to liberty.

Our boys and girls, fighting and dying, are all a part of America. They are fighting to protect the land we love and to uphold the principles upon which she is built. For this we are indeed grateful to Fairfax High School Alumni and to all men fighting in this war for the American way of life - - to you we pay our deepest homage and tribute.

These pictures represent boys or girls from each of the ten Senior classes and have been picked simply to represent his or her graduating year.

In Appreciation

To MRS. KATHERINE HOPPER

for invaluable, collective and individual, guidance and help to the students,

for cooperative and untiring service to the school,

for inspirational and helpful sponsorship to the year book for ten years,

we dedicate our 1945
FARE FAC SAMPLER

In Memory

of MISS MARY AMBLER

whose ready help and genuine interest were felt by her students;

whose simple thoroughness was realized in her classes;

whose spirit of sincerity will ever be a part of Fairfax High School

The Fare Fac SAMPLER for Little did the Clifton students know that they would one day the the foundary of a kink school pearbook. The Fare

History of Lenior Class

raised; goals and ambitions were farther reaching. As each class

left, its members created a place in the world for themselves—upholding those standards and striving for their goals.

to enter Fairfax High School as Freshmen, to complete a four

year course within, and graduate from the school. It was the

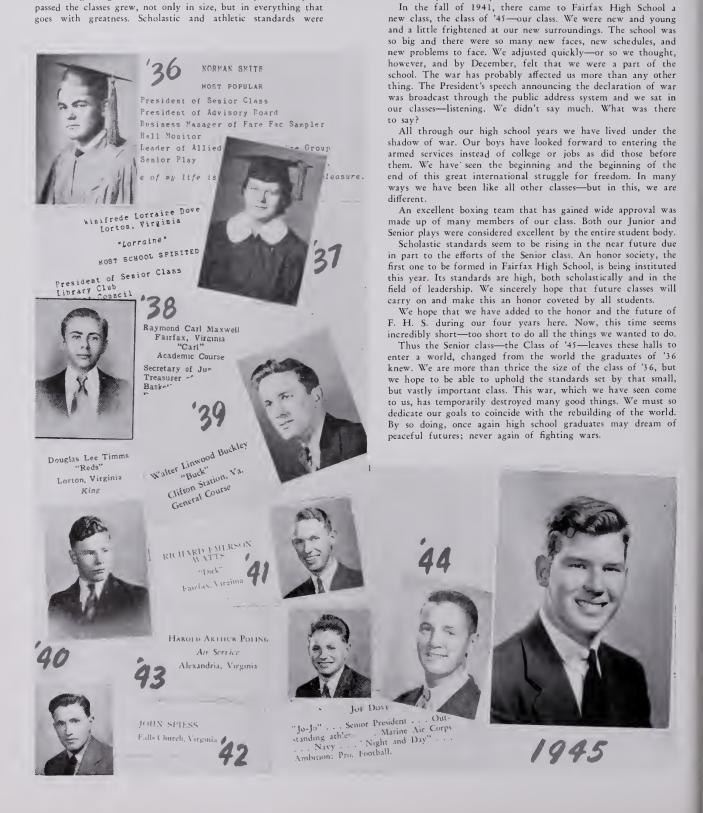

final evidence of the completion of the school, for this was the

first four year class cycle.

The class of '39 was unique in its way. It was the first class

In 1936, Fairfax High School graduated her first Senior class. The members carried with them visions of the future; high ideals fostered and indeed instituted by the High School. The class of '36 formed the basis from which every attainment of Fairfax High School must grow.

There were only forty-eight members of that first graduating class; yet it was the most important one of all. It was the infinite beginning of all the realizations of today. As the years passed the classes grew, not only in size, but in everything that goes with greatness. Scholastic and athletic standards were

College Song

Old Melody

Ι

Our strong band can ne'er be broken, Formed in Fairfax High— Far surpassing wealth unspoken, Seal'd by friendship's tie.

CHORUS

Alma Mater, Alma Mater, Deep graven on each heart, Shall be found unwav'ring true, When we from life shall part.

II

Mem'ry's leaflets close shall twine Around our hearts for aye, And waft us back, o'er life's broad track To pleasures long gone by.

Ш

High school life at best is passing, Gliding swiftly by; Then let us pledge in word and deed, Our love for Fairfax High.

Football

VARSITY SQUAD

First row: Fred Jennell, Bill Buhl, Jimmy Hughes, Jim Turner, George Lunsden, Henry Freeman, Sterlon Hutchins, Paul Brown, Second row: Al Swift, Pat Burke, Pete McClendon, Malcolm Shenk, Eddie Long, Charles Baggett, Eugene Williams, Jackie Murray. Third row: Ray Burrows, Wallace Covington, Dick Vierbuchen, Paul Gordon, Al Cummings, Bob Shockley.

Football became one of the sports of Fairfax High School in 1940. The first team, coached by Mr. Lawson, was composed of only twenty players and a small amount of equipment. Later, after expanding the team and securing the necessary equipment, Fairfax began to be recognized as a football power.

Captain Eddie Long

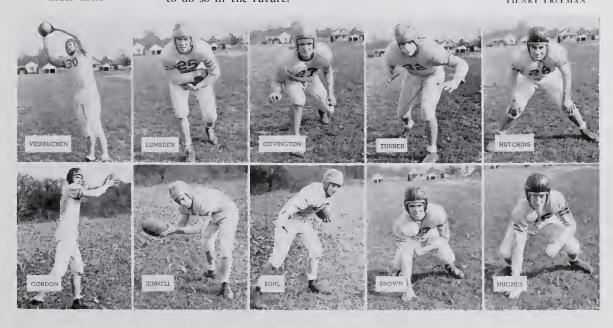

The blue and gray uniforms were purchased and have become a familiar sight on the fields of the Metropolitan area.

Due to the lack of experienced players, the varsity did not win a large number of games this year. Nevertheless, the junior-varsity had one of the most successful seasons to date, winning two, tying two, and losing one.

Football has always been supported enthusiastically by the citizens of Fairfax and the members of the school in the past and we know they will continue to do so in the future.

All-State—Honorable Mention HENRY FREEMAN

Hockey

This year the girls' hockey team was reorganized. We had not had a team since 1942, but the girls made a good showing by winning 2 games out of 4 played. The more experienced teams found that our girls would put up a hard fight. We owe a great deal of credit to Mrs. Patterson, the coach, who organized this year's team.

Basketball

Girls' Captain
MAXINE PROFFITT

GIRLS

Girls' Basketball began with the school in the year 1935. That same year the girls won the title of "Fairfax County Champions." They again won this title in 1939 and 1940. All home games were played at the Oakton School, since we did not have a gym until 1940. In 1942 the girls played in the finals of the Star Tournament. 1944 marks the year the girls won the Tournament, making them champions of the Metropolitan Area.

This year the girls had a hard schedule to follow, giving them a total of nineteen games played. The varsity ended their season by playing in the semi-finals of the Star Tournament.

BOYS

Basketball is Fairfax High's first and oldest sport. Starting in 1935, when basketball and baseball were the only sports, it has since then become one of the most outstanding teams in Northern Virginia. Until 1940 the Rebels had to practice at Oakton because the gym had not been completed. Now, however they have an up-to-date gymnasium and complete equipment.

Although the team didn't chalk up a great number of victories this year, they made a very good showing winning 7 out of 14 played.

Basketball

GIRLS' VARSITY SQUAD

Boxing

VARSITY SQUAD

First row: Bobby Waple, Monty Burns, Wallace Roseberry, Mr. Pfalzgraf—Caoch, Jerry Wilson, Jack Gunnell, Lee Ray Poehler.

Second row: Case Erwin, Manager; David McCarthy, Wallace Roseberry, Fred Jennell, Oscar Bowman, George Lumsden, Jim Turner, Wallace Covington, David Legg, Trainer. Third row: Harold Cauble, Calvin Coleman, Gerald Thompson, Joe Cornell, Lawrence Seely,

Bobby Clark, Charles Parnell, Earl Reed.

BOXING

Boxing is the newest sport in the boys' section of the Physical Education Department. Although there have been intramural teams at Fairfax for several years, not until 1944 did we have the first Inter-Scholastic Boxing Meet. In the first year of its organization, the boxing team won the South Atlantic Boxing Tournament and became champions of the area.

Winning four matches, drawing one, and losing two, this year the Rebels again entered the South Atlantic Tournament and won second place. Boxing is coached by Mr. Pfalzgraf, a former V.P.I. boxer.

Baseball

VARSITY SQUAD

First row: Mr. Mavity—Coach, Calvin Coleman, Gene Twombly, Gerald Thompson, Bob Mil'er, Eddie Long, Lefty Fones, Shirley McCarty.

Second row: Carl Lambert, Lindy Niesh, William Priddy, Neff McConshie, Harold Ward, Charles Witherow, Jack Coldwell, Sam Redd.

Third row: Case Irwin, Walter McClendon—Trainers, Vaughn Blevins, Bobby Johnson, Rodney Hanson, Junior Blevins, Kenneth Franklin.

BASEBALL

Ever since 1936, when baseball was organized, it has been one of Fairfax High's most outstanding sports. Eight years of good playing were climaxed in 1943 when the team won the Class A Northern Virginia Championship. Baseball is one of the school's two original sports and although the team started with a small amount of equipment, it now has a complete supply.

A large squad turned out in March as the "Rebels" started practice this year. Even though our team has only three lettermen back from last year it should go a long way with the young players who will fill most positions on the field.

TRACK

Track was organized in 1939 by Mr. W. S. Lawson, coach at that time. An intramural team was established before the first inter-scholastic meet was held, and although the "Rebels" did not capture a large number of victories in the first few years, they gained valuable experience for successes in the future. The most successful season to date was in 1943, when the team did exceedingly well.

This year promises to be an outstanding season for Fairfax High's track team.

Loftball

VARSITY SQUAD

First row: Janie Farris, Vivian Weeks, Betty Stubbs, Mary Lou Thompson, Pauline Feltner, Josie Ferino, Alice Cobb, Mary Cobb.

Second row: Jean Wolfe, Aubrey Blue, Marilyn Miller, Charlotte Robinson, Cloria Shaw, Christian Sparks, Dorothy Pullman, Mrs. Patterson—Coach.

Third row: Thelma Faulk, Ruth Shockley, Araxy Hatchik, Carol Blackmer, Betty Lou Everhart, Maxine Proffitt, Recky Purgitt.

SOFTBALL

In the spring of 1940, softball was organized in Fairfax High School for the first time.

Gladys Taylor, an outstanding athlete at that time, was the first captain and the team was coached by Miss Gregory.

The squad was not reorganized in 1941 and we did not have another team until this year. There are about twenty-five girls out for practice each afternoon. Prospects are good for a very outstanding team and successful season.

The History of Student Government

The present Student Government Association owes its beginning to a Student Advisory Board and a Student Court; both of which were organized in 1936. The former, which was really an advisory board to the principal, was not particularly active; however the student court, which operated with it and whose duty was to pass judgment on all students who were disciplinary problems in the school, was active.

The 1938 third year English class, under Miss Allison, drew up the original constitution. It was during this year that the first actual election

LAWRENCE CONGER COOK Air Service

Lairtax, Virginia

able faculty advisor, and by means of his help and guidance and the perseverence of Student Government itself much was accomplished and a strong foundation and basis were laid for future years activity.

Student Government sponsors entertainments of all kinds in school, backs drives of every type, publishes its own records and informative material, and helps in all other ways to bring better organization to the school. The Student's Handbook, containing all the facts about the school, was introduced and has proved very interesting to everyone. Bulletins, both for teachers and pupils, informing them of Student Government activities and events have been published weekly during the year.

"Semper Progrediens"—or as we know it in English, "Always Progressing," which recently has come to be our school motto -may well be applied to the accomplishments which have been made by Student Government this year.

General school improvements, have been included this year: improvements of past ideas as to the students aiding in school clean-ups, the purchase of individual classroom flags, the continuance of the Monitory system to control traffic in the halls, and the organization of a Hospitality Committee in order to acquaint new students with our school organization, some of their classmates, and with their teachers and classes.

Our relation with other intra-school organizations and other schools has been improved also. Under the suggestion of Fairfax High School, all the high schools of Fairfax County have banded together to form one organization which meets once a month, and has as its purpose, the improvement of all the schools by discussion of general problems. The National Honor Society has long been an important high school organization in our country. Student Government has organized a chapter of this society here, and it is hoped by everyone, that it will be put into a more complete operation at least by next year. Many War Drives, such as The Junior and Senior Red Cross, and the Community War Fund have been sponsored by Student Government this year and have been very successful.

Movies and dancing are the two main forms of entertainment which have been brought to us this year by Student Government. Under the sponsorship of Student Government and the direction of some of our teachers a Dance Club has been formed so that those who are really interested in it may dance and learn more about it. This has helped to make the

We all know that our successive Student Government Associations have done a splendid job on all the projects which they have undertaken and that they have done a great deal of

History of Fair Facts

The original purpose in forming the newspaper was to give

The first edition printed in Fairfax as a school paper only, was

printed in 1937 in the school shop. It was a four page, twelve

by eight inch paper. It is now printed outside the school and it

experience to students interested in newspaper work. This purpose

has carried through the ten years that the paper has been

published, growing as the paper grew.

A seven-member group formed the nucleus of the first Fairfax High School newspaper in 1936. This group formed with the intention of publishing for the benefit of the public the worthiness of Fairfax High School. They wanted everyone to understand what was growing in their school.

The newspaper was called the "Fair Facts," an alteration of the school name. In the beginning the news was gathered by students and printed on the back page of a local newspaper. The first editor was Mary Jane Young of the class of '36.

ELMER THOMPSON OSCAR BOWMAN DAVID LEGGE BILL MARTIN BUSTER BROWN CALVERT WITHEROW Mr. Pfalzgraf

The Fairfax chapter of the F.F.A. was first organized in 1935, with thirty-one members, under the supervision of Mr. W. R. Crabill, who served for two years.

In 1937, Mr. R. H. Capeland came as the first full time agriculture teacher. Then came Mr. Ralph Buckley followed by Mr. Cecil Smith. All four of these are now serving in the armed forces. There are also more than eighty boys from the Chapter in service.

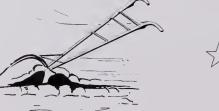

In the fall of 1942 Mr. Marcel Pfalzgraf ("Speedy" to us) came and is still directing the boys of the club.

The purposes of the F.F.A. are to teach boys the best methods of farming and to develop agricultural leadership. The outstanding service of the F.F.A. to the school is the daily sale of milk. Profits were used, this year, for the purpose of purchasing uniforms for the F.F.A. basketball team and miscellaneous equipment for the classes in agricultural instruction.

Future Homemakers of Virginia

In 1935, when our school was built, many clubs which concerned homemaking were organized. There was a Beauty Culture Club, a Handicraft Club, and an Interior Decoration Club. A new club, The Home Arts Club, was formed in 1936 which took in all of the others except the Beauty Culture. In 1938, the Home Arts Club was changed to the Homemaking Club. Beginning in 1939 the only club concerning Home Economics was the Homemaking Club. Once again, in 1943, the name was changed; this time to the Future Homemakers of Virginia.

The purposes of the club are: to learn to work together in large groups for the common good of all; to be a connecting link between the home and the school; to sponsor "get togethers" between parents and girls; to cooperate with the local Red Cross chapter; and to buy more War Bonds and Stamps.

Girls' Glee Club

The Glee Club was organized in the fall of 1935 when the school was first opened and has functioned each year since that time.

The following year music was added to the curriculum and the club, under the direction of Miss Mattie Miller, the first music teacher, became more active. It was divided into the senior, junior, and boys' glee clubs, with a total of one hundred fortynine members. This group participated in the state music program for the first time.

In 1939 the sixty-nine members of the Glee Club went to Richmond to take part in the state music contest, from which they brought home honors.

Two years later Mrs. Pettit came as the first full time music teacher. Music and music appreciation were taught as classes for which full credit was given. From these classes, the Glee Club was formed, and an A Capel!a Choir was also organized comprised of thirty girls.

An activities Glee Club having been organized the previous year, again functioned in 1942 along with the regular club. Its purpose was to give pupils who were unable

Boys' Glee Club

to include music in their regular schedule an opportunity to enjoy and participate in some music activity. The club this year sponsored for the first time the National Symphony Orchestra.

The mixed chorus, a combination of the Boys' and Girls' Glee Clubs, though newly

organized this year, has been quite successful.

The chief aims of this chorus are to help create and promote a general interest in music throughout the school, and to furnish entertainment for both the school and community by the presentation of varied programs. It also offers an excellent opportunity for development of the musical ability of its members.

In the fall, a Thanksgiving program was given. The chorus, assisted by the Orchestra, very effectively depicted the various ways in which the harvest season has been celebrated through the years. A Christmas Cantata, "The Wonderous Story," was most successful; The chorus, in white vestments, made an impressive scene. On special programs, and occasionally at assemblies, the chorus appeared with the school band.

The season was ended on May 18 and 19 with the production of "Pinafore" which was an outstanding success in every way.

Band

The band was organized in 1939 with fourteen members who played trumpets, trombones, saxophones, clarinets, drums, and a tuba.

During the next year the band increased its membership to twenty-two persons and

the cornet was added to the instruments previously played.

Several new instruments were added in 1942, including a large bass horn. A new division, the Majorettes, became a part of the Band and for the first time the Band was taught full time and was made an accredited subject.

The following year the magazine drive enabled the Majorettes and those who played instruments to purchase uniforms. Since that time the membership has steadily increased

from the original fourteen to forty-five, during the present year.

This year has found the band continuing its policy of performing at community functions as well as serving the school itself in assembly performances, athletic events and in special school functions.

Orchestra

In 1935 our first school orchestra was comprised of eighteen members. It consisted mainly of stringed instruments: Spanish guitars, mandolins, a Hawaiian guitar, violins, a banjo, a piano, and one brass instrument, the cornet.

The following year the orchestra consisted of nine members, who played violins, banjos, cornets, and piano.

Later drums and a viola were added to the original instruments used.

In 1943 the Concert Orchestra was organized with a membership of sixteen. Instrumentation included: the String Section, the Brass Section, the Reed Section, Percussion Instruments, Accordian, and Piano. For the first time the orchestra was made an accredited class.

On numerous occasions the orchestra has entertained the student body with assembly programs and special concerts. They have also appeared on special programs with the Glee Club.

The aim of the Concert Orchestra has been the fostering of appreciation for music of the semi-classic type.

Library Club

The original Library Club, which was organized in 1937, had only 10 members. The Club has continued each year since then, showing an increase both in enrollment and interest.

The Library Club is composed of those students who are interested in reading and in helping to improve the library. One of their chief functions is to advertise the Library and help other students to get acquainted with its facilities. This club sponsored several activities, the proceeds of which went to purchasing a gift for the Library. They have done much, not only to help promote interest in the Library, but also to create a spirit of friendliness in the Library for other students and teachers.

Chess

The Chess Club has been in existence since 1937. Each year the chess team has entered the Inter-High Chess Federation, which is an arrangement whereby all schools in the Metropolitan area may play other schools which are interested in chess. The purposes of the club are to arouse interest in chess playing, to provide a place for those interested, to play, and to teach people interested in chess how to play. The club sponsors no activities around school.

Military Police

In 1935 the Military Police was founded as a division of the Traffic Court, which at that time was our only form of Student Government.

In later years when Student Government was organized, the police became a part of that governing body and in 1942 was a part of the Army division of The Victory Corps. It is now a separate organization, but under the supervision and jurisdiction of Student Government.

The purposes of the M. P.'s are to direct and relieve congestion of traffic and maintain order in the halls and around the building at all times.

Fire Patrol

When the Fire Patrol was organized in 1941, they had twenty-seven members. One duty which they performed very well was to serve as Air Raid Wardens as well as Firemen.

In 1943 most of the Fire Patrol, plus a few other students, (a total of thirty-seven), became members of the Forest Fire Fighters who received instruction in how to prevent and combat forest fires. Due to the manpower shortage this is a valuable civilian defense organization.

The purposes of the Fire Patrol are as follows: to prevent congestion in the halls in case of fire; to prevent anyone from being trapped in the building; and to prevent fire from spreading until fire companies arrive.

School Patrol

The School Patrol was organized in 1943 with the he'p of the American Automobile Association in order to safeguard the lives of children going to and from school. Patrolmen keep order on busses and serve as policemen at bus stops to prevent possible accidents. Also they assist teachers in the loading and unloading of buses.

In 1944 the School Patrol was happy to announce that they had not incurred any injuries or accidents while students were travelling to and from Fairfax High School during the entire school year. Officer Cecil Brown was the sponsor the first year and again this year he has been most helpful as leader a though Mr. Rau now sponsors the group.

We are proud to have had the pleasure of working with

The Staff

in producing This Yearbook

BROWN-MORRISON CO., Inc. 718 Main Street . . . LYNCHBURG, VIRGINIA

Acknowledgment

We, the students and faculty of Fairfax High School, wish to express to the editor, the sponsors and the entire staff of the FARE FAC SAMPLER our gratitude and appreciation for this, the Tenth Volume of our year-book.

We are especially grateful for this Anniversary Number which gives us a sketch and history of the ten years of Fairfax High School.

This staff, on behalf of the nine preceding staffs and itself, would like to take this opportunity to thank Mrs. Hopper for her guidance during these ten years. She promoted and sponsored the first book and has worked with each succeeding staff. She has seen the SAMPLER grow from a paper covered book of forty-eight pages to the present production of one hundred fifty-two pages.

We also thank Miss Gillespie for joining the staff this year. We could not have done without her literary supervision and help.

We are grateful to Mr. MacIntyre and Merin Studios for their services and cooperation with our photographs; Mr. Penny of Brown-Morrison Co., for his advice and efforts in producing this book, the finest we have ever edited, we feel; all of our advertisers who have made our undertaking a financial success; all of those helpers not on the staff and other individuals who have contributed in any way to the successful completion of our task.

Autographs
